

STEWARTBROWN DIRECTIONS TO CAR PARK

TRAVELLING FROM THE SOUTH:

When travelling from the City direction you will more than likely be on the Pacific Highway travelling north. At Chatswood, turn right at the traffic lights into Victoria Avenue and head down to the railway station. You will pass our building on your left. At the railway station turn left (the only choice), and then turn left again at the next street, which is Brown Street. You are now heading back to Pacific Highway with our building on your left. Brown Street is at the rear of our building and is the entry to the car park.

Our car park entry is the second driveway on the left (about 75 metres from the railway). This leads into our parking station which is operated by Secure Parking. You will need to take a ticket and park on either B2 or B3. In the parking lot there are two sets of lifts servicing the two towers. You should take the "Tower 1" lifts, which are the lifts furthest away from the main drive. We are on Level 2.

Please bring your parking ticket with you and ask reception to validate it which will allow you exit from the car park without any charge.
