Instructions

Allocation of hours should align with allocation of dollars in the financial data - please use same data definitions for each category.

Please ensure the staff hours are for year to date and we anticipate that there should always be "Other Hours" listed due to leave.

Normal Hours Includes hours worked by the employee

Overtime Hours Includes time and one half and double time hours

Other Hours Includes **any other hours worked or paid**, typically includes time for staff to attend training and all forms of leave taken (annual leave, sick leave, rostered days off, long service leave, study leave)

Agency Hours Includes all hours worked by agency staff (agency staff are usually for a short term replacement of staff)

External Hours - sub-contract/Brokered Service Hours Includes all hours worked by sub-contract or brokered personnel (services that are contracted out)
