Our external research consultants provide us with their investment research, investment ratings, data and tools to help us deliver superior results to our clients. Additionally, each of their recommendations are further scrutinised by SBA, to ensure we only recommend investments we believe are in the best interest of our clients.

DOCUMENTS YOU MAY RECEIVE FROM US

When SBA provides personal financial advice to you, you may receive one or more of the following documents:

Statement of Advice (SoA)

The SOA will set out the advice that has been tailored to your specific circumstances. It contains our strategy & investment recommendations, the basis of our advice, relevant research, the main risks associated with the advice, information about our fees and the cost to you to implement the advice.

Record of Advice (RoA)

When we provide you with further advice it will be documented in a RoA and retained on file. You can request a copy of the RoA at any time up to 7 years after the advice is provided.

Product Disclosure Statement (PDS)

If we recommend you acquire a financial product, we will also provide you with a PDS containing information about the product's features and risks.

Review Documents

Our advice service includes a regular review component. At the meeting you will receive several documents such as projections to ensure you are on track; updated strategy advice; long term portfolio balances and performances reports.

Half Yearly Reports

Portfolio report packs are provided soon after 30 June and 31 December.

Engagement Documents

New clients will receive an initial engagement together with Terms and Conditions before any services are provided. Existing clients will receive annual engagement in each subsequent year. Engagement documents detail the services we will provide together with an estimate of the fees for the next 12 months.

This fee will be quoted and agreed before any work is commenced. It is generally between \$4,400 and \$6,600 determined by the complexity of the work undertaken by us.

Life Insurance Advice Fee

If you request us to review and provide advice on your life insurance needs, we will provide the advice in a SoA. The fee will depend upon the complexity of your needs and type of insurance we arrange, if any. This fee will be quoted and agreed before any work is commenced. It is generally between \$4,400 and \$6,600. This fee is payable in addition to the premium.
